TRULY MINING INTERNATIONAL EXHIBITION IN MONGOLIA

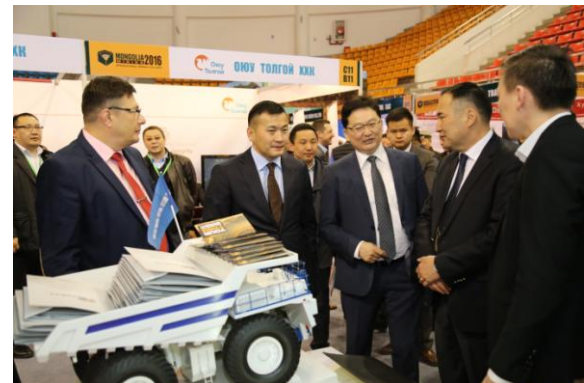

Mongolia Mining 2016, 6th edition annual series was held on 6-8th April, 2016 in Buyant Ukhaa Sport Palace of Ulaanbaatar.

Year to year a scale of the event is broadening when exhibition first unveiled the expo; it had 70 exhibitors mainly from Mongolia and few participants from Russia, China and Korea at Mongolia Mining 2011 and then 90 exhibitors from 15 countries in 2012 second edition, 110 exhibitors 15 different countries in 2014 edition. The fact that 125 exhibitors from 16 different countries are exhibiting at this year's trade show assures that Mongolia Mining is becoming a truly international event.

However, it is not our purpose to have greater number of exhibitors. Mongolia Mining aims to bring the most cutting-edge technology to Mongolia's fast growing mining sector and, on the other hand, provide our exhibitors with superior opportunities of collaboration in not only mining industry but also in a number of related sectors which has included oil and gas. Majority of our international exhibitors are displaying their products for the first time in Mongolia to enter this flourishing market.

Therefore edition of 2016 Mongolia Mining Exhibition had several seminars in the Exhibition hall & Seminar Hall of Buyant Ukhaa Sport Palace on 6 -8th of April 2016. Ministry of Mining, Mineral Authority of Mongolia, Erdenes MGL, Oyutolgoi, Erdenet, Erdenes Tavan Tolgoi, Baganuur and Shivee ovoo coal mines, researchers and directors, CEO of leading Mining operators presented their project and solutions to develop mining sector in Mongolia.
